Parental Authorization to treat Minor Child when not accompanied by Parent or Guradian

This authorization is for patients under 18 years of age.

We must have permission from a child's parent or guardian before providing medical services when the child is accompanied by someone other than the parent or legal guardian or presents by him or herself. If you feel there may be an occasion where your child will be brought by a relative, sitter, etc. please fill out the following information for us to include with your child's records.
